Judge Ronnie Abrams
United States District Court

40 Foley Square, Room 2203
New York, NY 10007

Dear Judge Abrams,

I am the defendant in the matter of Ganske vs. Mensch. Although the summons and complaint was never properly served on me, and was left at my ex-husband's address, I would like to hire counsel in order to respond to what I believe to be both a baseless and a vexatious action. As I am not familiar with litigation, am without legal training and presenting this letter *pro se*, I am requesting that the Court allow me time to find counsel. Currently, I am in the process of relocating within New York City so, I ask Your Honor to postpone the first hearing til November 18, or subsequently, in order that I may seek representation. I ask for the Court's indulgence to consider this a formal motion or petition, or whatever is required, if it is deficient in form.

I can be reached by the Court or its Clerks on this email address, at 917 529 2759, and at Apt 3B, 4455 Douglas Avenue, Bronx, New York. As I shall be moving in the next couple of weeks but do not yet have a firm date, I would ask that wherever possible I be contacted in the interim first via email. As soon as I retain counsel I will ask them to contact the Court and opposing counsel, whom I also copy here.

Respectfully submitted,

Yours sincerely,

Louise Mensch
